Subpart A—General

§ 140.1 Purpose.

(a) This part implements Section 487 of the Foreign Assistance Act of 1961, as amended (22 U.S.C. Sec. 2291f).

(b) Section 487(a) directs the President to “take all reasonable steps” to ensure that assistance under the Foreign Assistance Act of 1961 (FAA) and the Arms Export Control Act (AECA) “is not provided to or through any individual or entity that the President knows or has reason to believe”:

(1) has been convicted of a violation of, or a conspiracy to violate, any law or regulation of the United States, a State or the District of Columbia, or a foreign country relating [to] narcotic or psychotropic drugs or other controlled substances; or

(2) is or has been an illicit trafficker in any such controlled substance or is or has been a knowing assistor, abettor, conspirator, or colluder with others in the illicit trafficking in any such substance.

§ 140.2 Authorities.

Authority to implement FAA Section 487 was delegated by the President to the Secretary of State by E.O. 12163, as amended, and further delegated by the Secretary to the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs by Delegation of Authority No. 145, dated Feb. 4, 1980 (45 FR 11655), as amended.

§ 140.3 Definitions.

The following definitions shall apply for the purpose of this part:

(a) *Convicted*. The act of being found guilty of or legally responsible for a criminal offense, and receiving a conviction or judgment by a court of competent jurisdiction, whether by verdict or plea, and including convictions entered upon a plea of nolo contendere.

(b) *Country Narcotics Coordinator*. The individual assigned by the Chief of Mission of a U.S. diplomatic post, in consultation with the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs, in each foreign country to coordinate United States government policies and activities within a country related to counternarcotics efforts.

(c) *Covered assistance*. Any assistance provided by an agency of the United States government under the FAA or AECA, except that it does *not* include:

(1) Assistance that by operation of the law is not subject to FAA Section 487, such as:

(i) Disaster relief and rehabilitation provided under Chapter 9 of Part I of the FAA; and

(ii) Assistance provided to small farmers when part of a community-based alternative development program under Part I or Chapter 4 of Part II of the FAA;

(2) Assistance in a total amount less than \$100,000 regarding a specific activity, program, or agreement, except that the procedures in § 140.8 for recipients of scholarships, fellowships, and participant training shall apply regardless of amount. However, assistance shall be deemed covered assistance regardless of amount if the agency providing assistance has reasonable grounds to suspect that a covered individual or entity may be or may have been involved in drug trafficking; or

(3) Payments of dues or other assessed contributions to an international organization.

(d) *Covered country.* A country that has been determined by the President to be either a “major illicit drug producing” or “major drug-transit” country under Chapter 8 of Part I of the FAA. The list of covered countries is submitted to Congress annually and set forth in the International Narcotics Control Strategy Report.

(e) *Drug trafficking.* Any activity undertaken illicitly to cultivate, produce, manufacture, distribute, sell, finance or transport, or to assist, abet, conspire, or collude with others in illicit activities, including money laundering, relating to narcotic or psychotropic drugs, precursor chemicals, or other controlled substances.

(f) *Money laundering.* The process whereby proceeds of criminal activity are transported, transferred, transformed, converted, or intermingled with legally acquired funds, for the purpose of concealing or disguising the true nature, source, disposition, movement, or ownership of those proceeds. The goal of money laundering is to make funds derived from or associated with illicit activity appear to have been acquired legally.

(g) *Narcotics offense.* A violation of, or a conspiracy to violate, any law or regulation of the United States, a State or the District of Columbia, or a foreign country relating to narcotic or psychotropic drugs or other controlled substances.

Subpart B—Applicability

§ 140.4 Applicability.

Except as otherwise provided herein or as otherwise specially determined by the Secretary of State or the Secretary’s designee (except that decisions on notification and/or disclosure shall in all cases be subject to the provisions of §§ 140.13 through 140.14), the procedures prescribed by this part apply to any “covered individual or entity,” i.e., any individual or entity, including a foreign government entity, a multilateral institution or international organization, or a U.S. or foreign non-governmental entity:

(a)(1) That is receiving or providing covered assistance as a party to a grant, loan, guarantee, cooperative agreement, contract, or other direct agreement with an agency of the United States (a “first-tier” recipient); or

(2) That is receiving covered assistance

(A) Beyond the first tier if specifically designated to receive such assistance by a U.S. government agency; or

(B) In the form of a scholarship, fellowship, or participant training, except certain recipients funded through a multilateral institution or international organization, as provided in § 140.7(c); and

(b)(1) That is located in or providing covered assistance within a covered country or within any other country, or portion thereof, that the Secretary of State or the Secretary’s designee may at any time determine should be treated, in order to fulfill the purpose of this part, as if it were a covered country; or

(2) As to which the agency providing assistance or any other interested agency has reasonable grounds to suspect current or past involvement in drug trafficking or conviction of a narcotics offense, regardless of whether the assistance is provided within a covered country.

Examples: (1) Under a \$500,000 bilateral grant agreement with the Agency for International Development providing covered assistance, Ministry Y of Government A, the government of a covered country, enters into a \$150,000 contract with Corporation X. Ministry Y is a covered entity. However, Corporation X is *not* a covered entity because the contract is *not* a direct contract with an agency of the United States.

(2) Under a \$1,000,000 grant from the Department of State providing covered assistance, Corporation B makes a \$120,000 subgrant to University Y for the training of 12 individuals. If Corporation B is located in or providing assistance within a covered country, it is a covered entity and the 12 individuals receiving participant training are covered individuals. University Y is *not* a covered entity.

(3) University C, which is not located in a covered country, receives a \$1 million regional assistance research project grant from the Agency for International Development, \$80,000 of which is provided for research in covered countries. University C is *not* a covered entity. (However, if \$100,000 or more
